WHY CHOOSE BONDONI?

“To Get it Right First Time”

A recurring concern for foreign companies who are unfamiliar with Oman is to find a dependable Company Formation and Business Support Partner.

Companies seek a specialist with a rare blend of international business experience and a trustworthy “on-the-ground” partner to represent them during the initial company registration phases and the critical early years of growth.

KEY CRITERIA FOR SERIOUS INTERNATIONAL INVESTORS:

BONDONI'S BUSINESS MODEL ALIGNS US WITH ALL THE CRITERIA AND MORE.

Our Services

“To match or exceed our clients’ criteria by agreeing measurable objectives and timeframes.”

OUR SERVICES

Every client has different requirements so Bondoni’s flexible business model is designed to respond to a range of immediate and long-term requirements.

- Company Formation (Business setup)
- Outsources Business Support Solutions

Each service can be either standalone or integrated.

COMPANY FORMATION OPTIONS.

In every business setup process, there are always two primary stakeholders with different priorities:

- The investor(s) – corporate or individual
- NEWCO’s local management team

Bondoni has unique skills, experience and resources to deliver a “One Stop Shop” process which caters for both!

FROM DAY ONE,

we integrate our distinctive business setup and support solutions into a seamless process until the day you start trading and beyond.

“One Stop Shop” Business Setup for NEWCO’s Stakeholders

100% FOREIGN OWNED BUSINESS ENTITY REGISTRATION

There are three essential steps for investors to follow to commence trading and grow a 100% foreign owned business. You can either use three different companies or as most companies prefer, deal with one trusted specialist such as Bondoni to deliver all three:

1. Register the business. (For the Investors) *As a recognised specialist by the Government departments, Bondoni guides the investors to:*

- Select the name of your business entity.
- Choose the right registered company.
- Choose the right trade licenses (activities)
- Select the authorised signatories to operate the business.
- Process the Ministerial documentation.
- Register NEWCO with the Ministry.

2. Post Registration Business setup – “Streamliner” (for NEWCO’s local Management)

Bondoni’s acclaimed “Streamliner” process is designed to help our clients “Open for Business” as professionally and as speedily as possible.

We lead our clients through the necessary bureaucratic government and business procedures before being able to trade, including:

- Liaising with the multiple Ministries and government departments (Tax, Labour, Commerce, ROP).
- Selecting the right business partners (lawyers, real estate, office fitout, bank opening support).
- Completing the Investor and employment Visa clearances.

3. Outsourced Business Support Services (For the Investors and management team).

Continuity with a trusted partner is a key benefit during the critical ramp-up stage for NEWCO.

Consider Bondoni as your Back-office Partner. We will take care of your business support requirements so that you have more time to operate and expand during the critical first 12 months of growth.

- We offer continuity.
- We reduce your operating and recruitment costs.
- We know the best back-office suppliers to support any service you need.
- We help you comply to government renewal documents.

Local Corporate Equity Partnership

“A few sectors still require a local equity partner.”

Many corporates still choose to have a local partner giving them certain benefits including:

- In Country Value (ICV) qualifications,
- Priorities for certain tenders
- Obtaining additional visas.

As Bondoni is 100% Omani owned limited liability registered company, we are fully qualified to be your local corporate partner.

The shareholder allocation is flexible. We commit to mutually agreed commercial terms set out in an international standard Shareholders Agreement (SHA) that will fully protect your interests and give you full management and financial control of the business.

As our partner you will also benefit from all our business support services.

Outsourcing your back office is a well-established alternative if you have a trusted “on the ground” Partner.

BENEFITS OF OUTSOURCING THE BACK OFFICE SERVICES.

Focus on Core Business Activities.

Increases productivity through outsourcing allows newly established companies to focus on building their core activities.

Lowers Operating Costs.

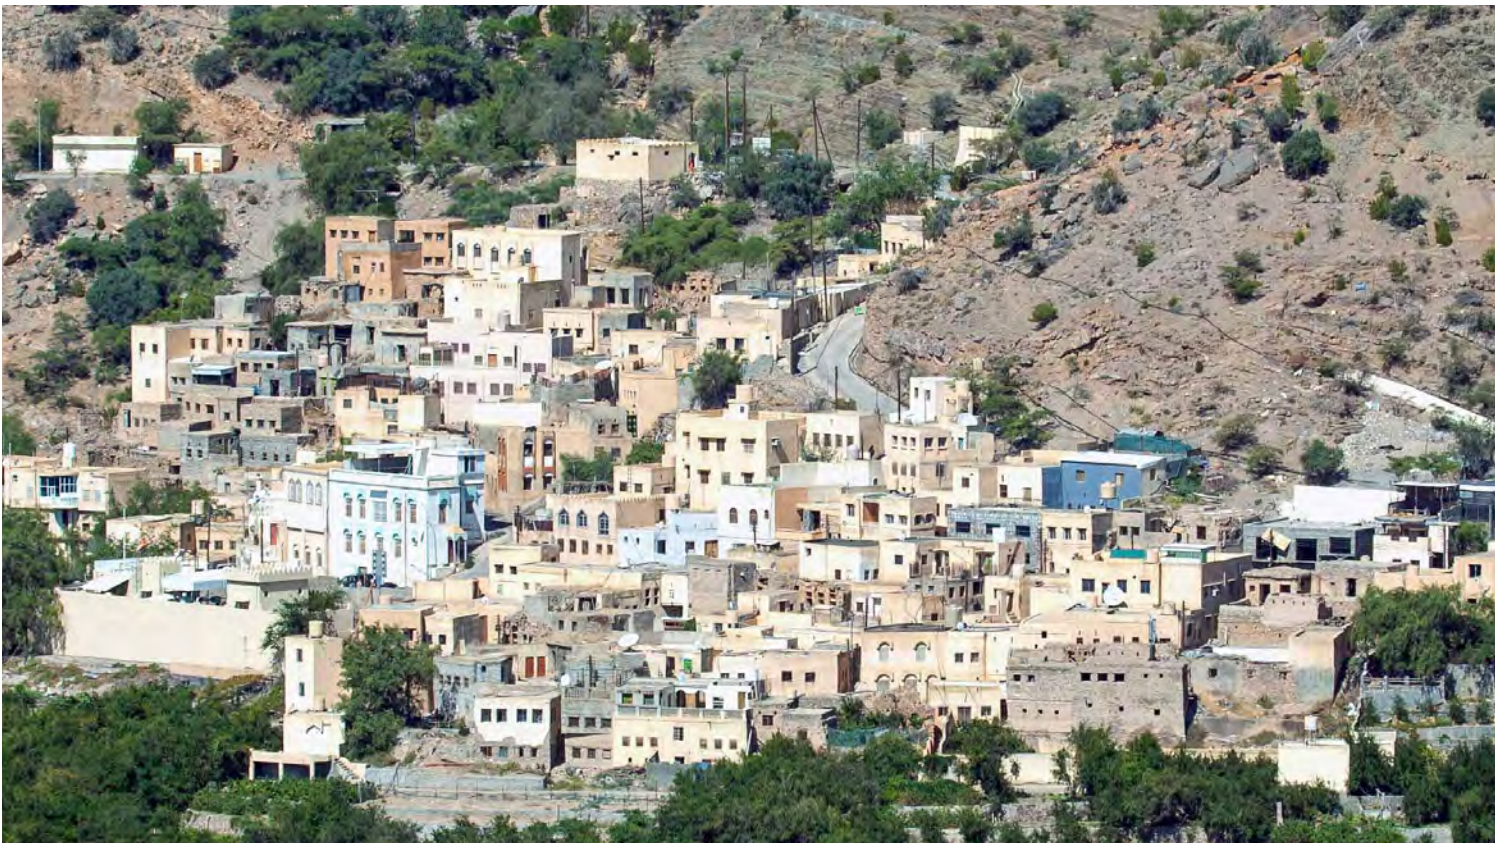

Avoids incurring unnecessary employment costs and the risk of recruiting unknown employees.

Local Expertise

Outsourcing statutory government compliances such as annual renewals and local back-office requirements are always advisable to outsource to local experienced providers.

Always Available

Unlike your employees who take holidays we always have some available to carry out the tasks.

Our Services

“We decided to partner with Bondoni due to its blend of international leadership, local expertise and understanding of our business.”

BENEFITS OF OUTSOURCING THE BACK OFFICE SERVICES.

We are equipped with skills, knowledge and experience and the right local resources and suppliers at our disposal. This results into lowered risks of encountering error in the back-office process.

Bondoni offers a wide-ranging spectrum of services aimed at helping to reduce costs and increase productivity. We will provide a customized solution including services such as:

- Government Representation
